

VACANCY NOTICE

The Liberia Civil Aviation Authority is accepting application from qualified applicants for the position of:

Job Title: Developmental Environmental Trainee

Report to: Director-Flight Safety Standard Directorate

Position Summary: The Developmental Environmental Trainee is responsible for overseeing the Developmental environmental performance of Airports Authority through the Environmental Management program. The incumbent must develop, ensure implementation, and monitoring of environmental strategies, policies, and programs that promote environmental legislation, policies, and guidelines and assist in developing and implementing corrective actions to achieve compliance.

DUTIES AND RESPONSIBILITIES

- Ensure the effective and efficient collection and disposal of garbage at airport are in accordance with legislation, thereby respecting environmental and company responsibilities.
- Develop and coordinate airport environmental policies and regulations to mitigate impact of airport activities e.g. noise, reduced air.
- Put in place mechanism to track carbon emission through business processes and other practices in order to promote sustainability and to raise awareness for the environmental impact.
- Ensure that the working area and equipment clean and orderly.
- Prepare and ensure the conduct of environmental studies, air quality modelling, and land use planning studies.
- Enforce environmental criteria to prevent environmental damage. Strive for the efficient use of resources in order to prevent waste and reduce costs. Motivate colleagues to take relevant steps to operate in an environmentally friendly manner.

EDUCATION AND QUALIFICATION

- Bachelor degree in Environmental or Agriculture science
- Training in environmental science or related field
- Three (3) years' experience in aviation or related field;
- Keen understanding of environmental issues
- Knowledge of local, national and international policies dealing with the promotion of environmental impact and improve the state of the environment
- Understand the methods, materials and regulations used to collect, transport, treat and dispose of waste. This includes recycling and monitoring of waste disposal
- Good analytical and writing skill
- Good communications and interpersonal relation
- Computer literacy is required.

Applications should be submitted to the:

**Human Resource Manager
Liberia Civil Aviation Authority
Harbel, Margibi County**

The deadline for submission of the application is June 12, 2026

Only qualified applicant will be shortlisted.
